

KBC Elder Covenant

The elders of KBC exist to shepherd, care for, and lead Kailua Baptist Church to be a community passionate about knowing Christ and making him known. We believe we can do this by: modeling Christ-like behavior; teaching the whole counsel of God as summed up in the gospel; guarding the doctrinal purity of the church; faithfully stewarding the financial resources God entrusts to us to advance the mission of making disciples; ensuring the proper administration of baptism and the Lord's Supper; caring for every member and disciplining unruly members; raising up and training future leaders to ensure the health and missional effectiveness of the church moving forward.

Therefore, we commit to:

1. Live lives worthy of the gospel of Jesus
2. Teach in line with the KBC Elder Affirmation of Faith, Baptist Faith and Message, and the KBC Statement of Faith, and will let the elders know if convictions ever change
3. Exemplary participation in the Lord's Day gathering
4. Regularly teaching publicly
5. Monthly elder meetings
6. Exemplary giving of finances to KBC
7. Pray consistently for the Body
8. Deal with sin and conflict in our personal lives and on the Board quickly and thoroughly
9. Mutually submit our desires and wants to the whole Board of Elders
10. Regularly and humbly enter into seasons of evaluation aimed at increasing our ability as a Board to lead and shepherd the church.
11. Step away from the office graciously and carefully if the occasion arises.
